Foreword

Assalamu'alaikum warahmatullahi wabarakatuh,

All praise and gratitude be to Allah SWT, for His abundant grace and guidance that has enabled the successful completion of this proceeding. This proceeding contains a collection of article abstracts from various regions in Indonesia, which were presented and discussed at the INTECHBIZ (International Conference on Industrial Technology and Business) held by the Research and Community Service Center (P3M) of Politeknik Negeri Bengkalis on Thursday, November 28, 2025. The conference addressed the theme "Industrial Technology and Business Strategies in Navigating Global Challenges."

This proceeding is compiled to document the ideas and research findings related to industrial technology and business strategies in addressing the complexities of the global business landscape. In order to realize the synergy between vocational education and industry in Indonesia, we require youth who possess integrity, commitment, and consistency in implementing the Link and Match between vocational education and industry, in line with the aspects determined by the Ministry of Education, Culture, Research, and Technology.

In the completion of this proceeding, we acknowledge that it has been made possible with the assistance of several parties. Therefore, we would like to express our sincere gratitude and appreciation to:

1. Mr. Johny Custer, ST., MT, Director of Politeknik Negeri Bengkalis, for his support and facilitation of this event.
2. Mr. Romadhoni, S.T., M.T, Vice Director of Politeknik Negeri Bengkalis, for his continuous support and motivation during this event.
3. Mr. Syaiful Amri, ST., MT, Head of P3M Politeknik Negeri Bengkalis, for his invaluable assistance in organizing the INTECHBIZ 2025.
4. All committee members, including lecturers and students, who have dedicated their time, energy, and ideas for the success of this event.
5. All lecturers and students who contributed their research and scientific thoughts through their articles in this international conference.

We acknowledge that this proceeding may still have some shortcomings, and we welcome any suggestions and feedback for the improvement of future editions. Finally, we hope that this proceeding will be beneficial for all concerned parties.

Wassalamu'alaikum warahmatullahi wabarakatuh.
